NON-GMO STATEMENT

September 5, 2008

Milne Fruit Products does not use genetically modified ingredients in any of our products. This includes the raw materials used for processing and any processing aids used during manufacture. Milne Fruit Products will continue to monitor raw materials and processing aids to make sure genetically modified sources are not used at any step of manufacture.

A handwritten signature in black ink, appearing to read "Edward W. Thomas", with a long horizontal flourish extending to the right.
